

Atlas Travel[®]

The Atlas Travel plan from WorldTrips, a member of the Tokio Marine HCC group of companies, is with you almost anywhere in the world you may travel for vacation, study abroad, corporate travel, or mission work.

Why Choose Atlas Travel®?

Whatever your reason, international travel should be a pleasant experience. Complications and emergencies such as illness, injury, and natural disasters are a fact of life. While we hope none of these incidents happen, we're here to help if they do.

That's why Atlas Travel provides coverage for unexpected medical expenses as well as emergency travel benefits and multilingual travel assistance services.

Do I need travel medical insurance?

Many times, the primary medical insurance in your home country offers little or no coverage for medical expenses incurred as you travel outside of your home country. Atlas Travel provides international coverage as well as important benefits like Emergency Medical Evacuation, Hospital Room and Board, and Crisis Response for kidnap and ransom situations abroad.

What's Covered by Atlas Travel®?

INTERNATIONAL COVERAGE

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? WorldTrips is experienced in arranging emergency medical evacuations. Atlas Travel will cover eligible expenses necessary to transport you from an initial treating facility to the nearest hospital qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Travel will also cover the transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas Travel will arrange for and cover eligible costs associated with the repatriation of your remains.

Return of Minor Children

If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Travel will cover the eligible transportation cost for the children to return home.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or level 4 travel advisory, Atlas Travel offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or level 4 ("do not travel") advisory in the 6 months prior to your arrival date.

Political Evacuation

If, during the coverage period and after your arrival, the U.S. Department of States issues a level 3 or level 4 travel advisory for your destination country, Atlas Travel will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster – Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs on your trip, causing you to become displaced from your planned and paid accommodations, Atlas Travel will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence. Chronic and congenital conditions, complications or consequences of a chronic or congenital condition, or conditions that gradually become worse over time are excluded from coverage.
